Re: Rainy Day Lunch Procedure

- There will be an announcement over the PA system stating we will be using the Rainy Day Lunch Procedure. Student aides will be sent to the PE area with a note announcing this.
- **Sixth Grade** students will be **dismissed 5 minutes early** to line up in front of the auditorium.
- Students have the option of eating in the cafeteria, auditorium, or remaining outside.

**If students wish to eat in the auditorium or cafeteria they must follow the procedure listed below:**

- Line up in the front of the auditorium. This is the only way to enter the cafeteria on a rainy day.
- Once in the auditorium students can go in one of three directions.
  - **Right** – if they do not wish to eat, and just want a dry place to be.
  - **Left** – if they have their lunch and want a dry place to eat it.
  - **Center Isle Seating** – if they wish to get a lunch from the cafeteria.
- Those students seated in the center isles seating will be called up to the stage area to enter the cafeteria, as space is available. The students can leave their backpacks in the space provided. Once they have their food, they can eat in the cafeteria area.

**A map outlining this process is on the back.**
